

A close-up photograph of several St. Patrick's Day cookies on a white plate. The cookies are shaped like shamrocks and are decorated with bright green icing. Some cookies have white icing outlines, while others have a solid green fill. The cookies are arranged on a white plate, which is placed on a wooden surface. A green and white striped cloth is visible under the plate. The text "St. Patrick's Day" is overlaid on the left side of the image in a white, serif font. Below it, the date "March 17th 2021" is written in a smaller, orange, sans-serif font.
